

# Limitless

The 8-Ball is a Rodriguez exclusive. It's a travel bike and a travel tandem all in one bike. The entire thing will break down easily to fit into two 26" by 26" flight cases just like one of our Travel Tandems.

Just a few months after its unveiling, Willie Weir and his wife Kat came to us about getting a tandem for their tour in Cuba. Willie is a world-class bicycle traveler, columnist and KUOW commentator. He bicycles in places around the world that are obscure and amazing. After hearing about their plan, we decided that the 8-Ball would be the perfect bike for them.

Willie was to go to Cuba first, and tour by himself for an extended period of time. Then Kat would fly in and join him. Our thought was that Willie could just take the 'single' configuration with him, and Kat could bring the pieces for the tandem conversion with her. This way, they wouldn't have an extra bike to try and store somewhere in Cuba. The plan worked perfectly.

Each year, we build several 8-ball tandems, each unique to its riders. Everyone who has one loves it. We've even had

## The Rodriguez 8-ball convertible

one customer add a 3rd section to their 8-Ball, and now it's a travel single, a travel tandem, and a travel triplet! The versatility is amazing.

There's no better test for a bicycle design than having someone like Willie and Kat tour where there are no roads, bike shops, or spare parts. The Rodriguez 8-Ball has proven itself to be a traveler's best friend time and time again. I encourage anyone who thinks they would like to travel with a bicycle to consider this versatile design.

The price for a Rodriguez 8-Ball frame/fork is \$5,699 for the tandem/single configuration. A full 8-ball with components, ready to ride, starts at \$7,199. All 8-Ball frames are built custom sized. Not bad for a travel tandem and a travel single!

We have a couple of suggested parts packages for the 8-balls, mainly for the sake of comparison, but each customer we've built the bikes for uses a different setup.

If you're interested in an 8-ball convertible, give us a call or an e-mail, and we'll provide you with a quote for any parts or features you would like.

## Team Rodriguez

Willie Weir and his Wife Kat use their 8-Ball convertible to travel the world and more.

They love the durability, repairability, and flexibility of the bike.
